

# Need a Market for Elderly Residential Care Facilities?

## We are the Market of Choice Offering Your Clients...

As our population continues to age, you can benefit by offering great benefits and expertise to your Residential Care Facility (RCF) clients.

More and more of these facilities are being built to handle the flow of elderly unable to care for themselves. The elderly population is one of the fastest growing demographic. In 2010, there were 28 million elderly 70+ years old and it is predicted to double to 53 million by 2030.

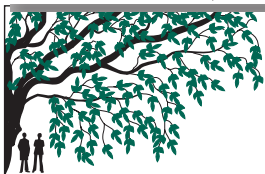

### Our Comprehensive Program Covers:

- Liability for negligent acts or omissions by the facility or its employees
- Professional Liability incl. EPLI
- Property
- Abuse & Molestation
- And more...

### Professional Liability

- \$1,000,000 Each Claim
- \$3,000,000 Aggregate
